# CAFFÈ DOLCE

Creato con passione  
...bevuto con piacere!

The Caffè Dolce brand was created in 2008, bringing together more than 70 years of coffee expertise. This has proven successful in producing a fine, seductive selection of coffee's.

Bringing together a wealth of blending and retail experience both the brand and the blends have been lovingly created to give an exceptional quality product for every application.

Whether it's beans, filter, Cafetiere or Instant coffee the Caffè Dolce product range delivers every time.

## EXCEPTIONAL BLENDS, EXCITING BRAND!

Where other brands look good but can let you down on the true sense evoking and enjoyment aspects of coffee, Caffè Dolce delivers!

The very highest quality beans are sourced worldwide from Central & South America, Africa, & The Far East to go into these exceptional coffees. The blends are then created ensuring that all blend strengths & subtleties marry to produce the finest coffee products for every application. All Caffè Dolce coffees are screened to ensure clean, even sized beans and are blended in a way to guarantee recipe balance and consistency. The beans are slow roasted to ensure the oils are retained within the bean, thus locking in a rich full flavour.

## COMPETE WITH THE NATIONALS

The Caffè Dolce brand has been designed to make exceptional quality coffee accessible to the independents at a price that will let you compete with the nationals and make a happy profit! That's why, as well as providing Point of Sale support, Caffè Dolce has a range of traditional branded crockery, sugar sticks and 12oz double wall takeaway cups, all available in sensible quantities.
