Welcome to **Washcraft Laundry**

Shorrock Trichem is a leading hygiene product, services and equipment supplier based in Manchester.

We have a full and diverse range of products and services to meet the most demanding of standards.

The company philosophy is to provide the best possible service at the most competitive price point.

INOKSAN Providing Quality for you

Founded in a small workshop in 1980, INOKSAN now have a 20,000m² factory. There is a key focus on research and development helping to establish INOKSAN as a global brand.

The INOKSAN glass and dishwashers are reliable and robust made for the busiest of kitchens. The key components are built to last. The lower the down time the greater the productivity.

Our Services

Supply

Discover Washcraft's commercial dishwashing equipment. Washcraft's sleek design and innovative technologies ensure your business is at the forefront for energy savings and efficiencies.

Install

We can provide a full 360 service; from a comprehensive CAD drawing to expert installation and commissioning. We can remove and safely dispose of old machines as well as provide in depth training to ensure the best use of your new equipment.

Repair

Washcraft employs local qualified engineers that are gas safe, NICEIC approved and WRAS accredited approved products. You can be confident that you are in good hands.

Rental

Learn about our Rentals. Pay a fixed monthly fee which covers the cost of the machine and all Repairs. With the lowest rates in the industry, you are in great hands.

Purchase

Our INOKSAN machines are robust and reliable helping you save money. Purchase our machines with confidence as our packages are industry leading.

Lease

We have agreements with a range of leasing companies. Allowing you to budget a monthly fee for your new equipment, our leasing deals include an all-inclusive breakdown cover ensuring a trouble free experience.
